Those who wish can gather at the Signal Battalion Stone at the Airborne and Special Operations Museum at **100 Bragg Blvd**, for a placement of flowers and a moment of reflection upon our fallen comrades and the good times spent in the Signal Battalion.

26 May will be a great day out at Sicily Drop Zone to witness the current capabilities of the Division and to see if we can still “pass in review” at the Veteran’s March.

Lastly on 26 May will wrap up AAW2022 with an AAR at the host hotel around 1700 hrs.

If you are planning to attend, we ask you to notify one of the Chapter EXCOM directly, or email the Chairman at timwallallabnsigchapter@gmail.com. As with any operation, we will set up comms for the week with attendees, so that if anyone needs anything, we can provide that support. Additionally, if things change, we can send out a mass FRAGO. We would like to track who is coming, where they are staying and how many guests in each party attending. There will also be a spouse/partner/significant other event announced if there is enough interested parties attending.

We purposely planned Chapter events around Association and Division sponsored events so those who are interested may attend those events. We also purposely left a lot of free time as we know LGOPs will do what LGOPs do and want to plan their own events and reunions with fellow Paratroopers.

If you have any questions, please feel free to contact Tim Wall at the email provided above or at 910-633-9255.

Your EXCOM look forward to seeing your bright shining faces during this year’s ALL AMERICAN WEEK!.

AATW!
